Store and Window Displays

At this Thanksgiving time of year, I want to say thank you:

- For visiting me at Just A Second when it was our little store on North Main
- For coming to our special events at Stella & Notte.
- For your kind comments on FB
- And for encouraging me along the next step

I will be in my studio/shed/workshop this Saturday from 10-2, and would love if you would stop in for coffee and treats and a look at my new digs.

I feel like a little kid playing house and am missing my playmates.

Hope to see you.
